NOTE— Contn sheet

CPB—50 000—12 8 16

GRS 26] Office of the Inspector General of Education in Mysore, Bangalore, 19 May 1910

Dear Mr Narasim Iyengar,

With reference to your application to the Dewan for help for the Widows' Home, I would like to have a statement (1) of the present number of inmates of the Home and (2) of the present number who live outside but attend the classes in the Home

The proposed arrangements in para 14 provide for the feeding and clothing of 20 inmates, but in para 18 it is stated that the number of admissions is to be limited at present to 50 and that the proposed arrangements will be sufficient for that number It is clear that the proposed arrangements do not provide for the feeding and clothing of 30 of this total I can not make out whether you expect 30 of the inmates to provide their own board and clothing or whether these 30 are merely day pupils coming to the Home for education but finding their own board, lodging and clothing outside The difficulty is increased by the statement in para 12 that when the number of inmates exceeds 20, application will be made for additional provision if necessary I shall be obliged if you will let me know exactly what your intention is Please let me know also the total number of inmates the present building will accommodate

Then it is essential to know whether you propose to convert the Widows' Home into a Hostel for widows and others, or keep it as at present strictly a Widows' Home

I need hardly say that I sympathize with your efforts to extend the usefulness of the institution

Yours sincerely,

Inspector General
